Contact Information:

Who can we reach with questions?

Name: _____

Primary Number: _____

Who shall we call when your pet is ready?

Name: _____

Primary Number: _____

Pickup Request time/Availability: _____

We will contact you after the appointment/treatment is completed and arrange a pick up time. While we will make every attempt to have your pet ready to meet your schedule, it is not uncommon for us to require an evening release. It is always recommended that you call prior to returning to the hospital. We appreciate your patience and understanding.
